### Health & Wellbeing Champion Ellen Blacker

Royal Wootton Bassett & Cricklade Community Area  
Supporting individuals to live independent, happy, healthy and fulfilling lives  
by offering information on a variety of topics. Working to improve outcomes  
for people by representing their needs at decision making levels.

Hello! Whilst on holiday last year, I saw an advert for a "Sunday lunch get together". It was very informal, no fund raising, collections, membership etc. It's simply a group of people who are alone on Sundays for whatever reason, getting together to have a good meal in good company.

In my travels, I know of a lot of folk, young and old, who feel the same, so.....if this is you, get in touch! We had the first "pilot" lunch at The Wiltshire which was enjoyed by all who were there. Come and join us or let's think about getting this going around all of our Community Area? Give me a call to chat it through.

Note – this could be for YOU! No age limits, just a desire to have some company on a Sunday.

Meanwhile, as ever, I am around for general help and support on a wide variety of issues including transport, mobility and safety around the home and reducing the feeling of loneliness. Give me a call on 07557 922020 and leave a message. I will get back to you as soon as possible.

Ellen Blacker

#### What are you doing on Sunday?

For whatever reason, do you find yourself on your own and that Sunday is an "empty" day?

A new monthly get together is planned to have their first meeting on **Sunday 19<sup>th</sup> February at The Wiltshire Golf Club and Hotel, 12.30 for 1pm.**

If you feel you would like to come along and have some good company along with a fine traditional Sunday roast call me to book a place. Lunch cost is £10.95 and there are no membership fees or fundraising, just good food and good company. Transport can be arranged if necessary.

## GASTECH

## The Independent Gas Specialists

Telephone **01793 848800**

6 Templars Way Ind. Est. Marlborough Road, Royal Wootton Bassett

**BEAT THE RUSH** at Gastech and we know that, traditionally, heating breakdowns increase in the colder months.

Many of the breakdowns we attend to at the start of the heating season could have been prevented by maintenance. Unfortunately, faults on the heating system do not show themselves until the cold weather arrives. By then, most gas engineers are busy, causing a delay of days to arrange a call out. **Gastech** are a local, family run business with 30 years + experience.

Based in Royal Wootton Bassett with a satellite office in Marlborough we always have an engineer available in your area.

With increasing gas prices it is essential that your gas boiler is running properly to ensure it is safe and efficient.

Our engineers are happy to service all gas and LPG boilers including warm air systems.

Age of boiler is not a problem and we would be there to service it, not to tell you that it needs replacing.

So, *beat the rush*. Call **Gastech** on **01793 848800** to book your heating service
