# Do YOU feel strongly about YOUR High Street?

**Do** we all value local shops? They are convenient, give a sense of community, are often unique independent stores selling unusual and interesting things, helping to add character to our local area – all of which serves to make it a nicer place to live.

Your local shops are more than a way to buy what you want without having to trek through traffic, waste your time, pollute the environment and take money out of your local economy. They play a vital role in creating local jobs.

Evidence shows that for every £10 spent in an independent shop, £25 is generated for the local economy, compared to £14 spent in multinationals<sup>1</sup>.

**If more people are shopping and working in the local area, then that helps other businesses too** – and so even more of them can generate employment, which in turn means there is more money in the local economy, which can help other shops. And so the cycle goes on...

Local shops also work hard to support local communities – just look at how many school Christmas fetes and town events are sponsored by businesses and how many local shops supply produce for raffles.

That's why the **Buy Bassett Buy Local campaign** encourages us to think twice before spending away from home.

**People and Places**, an organisation that helps make localities a better place to live, and work, recently visited Royal Wootton Bassett and collected data on the town centre once again, to compare in a regional and national context on how well our High Street is faring; better or less well than expected.

The positive news is that whilst the works at Skew bridges has meant the main A3102 road being closed, town centre businesses continue to

be supported by the local population, with higher than national average footfall and higher than average customer spend.

However, **vacancy rates within the town centre have increased** from previous years, with our current rate being higher than the National and Regional average. Conversely, this presents an opportunity for budding entrepreneurs to start up their own business. **COULD YOU BE ONE OF THEM?**

Residents may also be aware that recently two applications, both being recommended for approval by the Planning Officer, has been deferred by Wiltshire Council's Strategic Planning Committee. The proposals are to build on land at Marsh Farm, an out of town supermarket, Care Home, Sheltered Housing by Leda Properties and Lidl GmbH UK, and 320 Houses, Community Hub and open public space by Leda Properties.

It was argued at the Strategic Planning Committee meeting, that the relentless pace of house building will place an unsustainable strain on our town's infrastructure and services, alongside a new supermarket predicted to draw 6% to 8% of convenience shopping away from the High Street. From Lidl's own estimates, convenience shops on the High Street will lose £110,000 of turnover in the next four years.

Royal Wootton Bassett Town Council's Planning Committee have submitted strong objections to these applications. Although not against further development, the Town Council have been consulting with residents on a Neighbourhood Plan which welcomes a supermarket and more housing being built in a more sustainable location within the town.

Standing together to support the town: Roz Paton (RWB Chamber of Commerce President), Johnathan Bourne (RWB Town Clerk), Andy Crump (local independent business owner and Chamber of Commerce member) and Hazel Newson (local independent business owner and member of the RWB Business Association).

It is expected that these applications; 16/06995/FUL and 14/08060/OUT will be brought to a future meeting for a decision. **If you would like to add your voice to the debate, please send a letter to Roger Bishton, Senior Democratic Service Officer, Wiltshire Council, County Hall, Trowbridge BA14 8JN or email him at [roger.bishton@wiltshire.gov.uk](mailto:roger.bishton@wiltshire.gov.uk)**

## In the meantime...

Remember – a small decision every time you head to the shops can make a real difference over time not just to your local retailers, but to the entire community. So don't forget – think local economy and **"SHOP LOCAL"**.

# GASTECH

## The Independent Gas Specialists

Telephone **01793 848800**

6 Templars Way Ind. Est. Marlborough Road, Royal Wootton Bassett

**BEAT THE RUSH** at Gastech and we know that, traditionally, heating breakdowns increase in the colder months.

Many of the breakdowns we attend to at the start of the heating season could have been prevented by maintenance. Unfortunately, faults on the heating system do not show themselves until the cold weather arrives. By then, most gas engineers are busy, causing a delay of days to arrange a call out. **Gastech** are a local, family run business with 30 years + experience.

Based in Royal Wootton Bassett with a satellite office in Marlborough we always have an engineer available in your area.

With increasing gas prices it is essential that your gas boiler is running properly to ensure it is safe and efficient.

Our engineers are happy to service all gas and LPG boilers including warm air systems.

Age of boiler is not a problem and we would be there to service it, not to tell you that it needs replacing.

So, *beat the rush.* Call **Gastech** on **01793 848800** to book your heating service

### Health & Wellbeing Champion Ellen Blacker

Royal Wootton Bassett & Cricklade Community Area  
Supporting individuals to live independent, happy, healthy and fulfilling lives  
by offering information on a variety of topics. Working to improve outcomes  
for people by representing their needs at decision making levels.

Hello! Whilst on holiday last year, I saw an advert for a "Sunday lunch get together". It was very informal, no fund raising, collections, membership etc. It's simply a group of people who are alone on Sundays for whatever reason, getting together to have a good meal in good company.

In my travels, I know of a lot of folk, young and old, who feel the same, so.....if this is you, get in touch! We had the first "pilot" lunch at The Wiltshire which was enjoyed by all who were there. Come and join us or let's think about getting this going around all of our Community Area? Give me a call to chat it through.

Note – this could be for YOU! No age limits, just a desire to have some company on a Sunday.

Meanwhile, as ever, I am around for general help and support on a wide variety of issues including transport, mobility and safety around the home and reducing the feeling of loneliness. Give me a call on 07557 922020 and leave a message. I will get back to you as soon as possible.

#### What are you doing on Sunday?

For whatever reason, do you find yourself on your own and that Sunday is an "empty" day?

A new monthly get together is planned to have their first meeting on **Sunday 19<sup>th</sup> February at The Wiltshire Golf Club and Hotel, 12.30 for 1pm.**

If you feel you would like to come along and have some good company along with a fine traditional Sunday roast call me to book a place. Lunch cost is £10.95 and there are no membership fees or fundraising, just good food and good company. Transport can be arranged if necessary.
