Andy Crump

A local family-run business celebrating 30 years trading in Royal Wootton Bassett

“Founded in 1985, by professional butcher Keith Crump and wife Jean, and continued today by myself (their son Andy), we are a family butcher who know one thing above all else - our customers are number one!”

No other butcher strives harder to be the best traditional butcher in the Swindon area and the quality and excellence of our meats mean our customers keep coming back!”

THIRTY years ago Keith and Jean Crump took a detour on their way home to Oxfordshire. The couple, who had spent months scouring Devon and Cornwall in vain for the perfect village shop to house their family butcher’s, fancied a brief break from the road. Driving down Wootton Bassett High Street a ‘for sale’ sign caught their attention.

The town centre has changed beyond recognition since that fateful day in 1985 but despite the crushing march of supermarket giants, K&EJ Crump & Son remains a welcome constant for legions of loyal customers.

“Obviously it was fate,” says Andy Crump, 49, who took over the family business when his late father Keith retired in 1999.

“I came back in 1988 and that’s where I’ve been ever since.” says Andy. “My dad retired in 1999. I was 34 and I was thrown in at the deep end. It was big challenge. My dad had an aura about him. Everybody loved mum and dad.”

“Butchering has had its testing moments. It’s not the easiest profession to be in. I can be here at 4am, get the window displays ready, and start prepping for the day. It’s quite long hours. At least 65 per cent of the work is done behind the scene. Everything is homemade. We make the sausages on Wednesday and Fridays and it takes three people four hours to make 750lb of sausages. We have 26 kinds at any one time on display. If I didn’t enjoy it I wouldn’t still be in the game.”

K&EJ Crump & Son counts six full-time staff including Andy and four part-time employees. Since its inception, the business has won 14 gold and eight silver medals.

Keith & Jean Crump with son Andy

The Bassett Banger ‘dreamt up’ by Keith remain firm favourites in the town. The store sells ten times as many as any other variety.

Over the last 30 years, the going has been tough for independent shopkeepers on the nation’s High Streets. Contending with large supermarkets has proven challenging at the best of times for the Crumps but the business continues to thrive.

“Over the years there has been a massive decline in independent butchers. And our actual trade pattern has changed dramatically but we go with the flow. You always get competition from supermarkets. You’ve only got to look at High Streets, so many shops are closed, it’s frightening. But we are supplying something different from supermarkets – we have the quality. Our goal is to continue to do what we’re doing, improve and increase trade. There is a place for shops like ours on the High Street. That’s what has stood us in good stead for 30 years.”

“Thank you to all our loyal customers both past and present.”

Our two new golf themed courses are sure to please and provide healthy, outdoor fun for all the family. You can also try your hand at the 'real thing' and have a go swinging a club on our superb 20 bay driving range.

Football Golf The fastest growing sport in the UK is quick & easy to learn— it's great fun for all the family.

Set next to our existing 9 hole facility, we have designed this new course to encourage you to get into golf and practice your football skills at the same time. You don't need to be a great footballer or an expert golfer to enjoy a round of Football Golf - you just need to be ready to have some fun!

**FROM
£3**

Treasure Island Adventure Golf

Wind your way along the course using just a putter and your skill. Listen to the sounds of pirates and look out for colourful, life sized characters along the way, it is festooned with obstacles. This highly interactive, new concept in adventure golf is the first of its kind in the UK and sure to please all ages! Each hole presents a new challenge, offering a chance for a hole in one if you can read the hole right.

With prices starting at £3.00 for a child & £12.00 for a family of 4, Basset Down offers you a great value family outing this summer. There is no need to book, just turn up and have some fun!
(Booking advisable for large groups)

We also have a fully licensed cafe which is open to the public daily offering a great selection of home cooked food and cakes at excellent prices.

The courses are also ideal for children's parties, team building and corporate events.

GASTECH

The Independent Gas Specialists

Telephone 01793 848800

6 Templars Way Ind. Est. Marlborough Road, Royal Wootton Bassett

BEAT THE RUSH at **Gastech** and we know that, traditionally, heating breakdowns increase in the colder months.

Many of the breakdowns we attend to at the start of the heating season could have been prevented by maintenance. Unfortunately, faults on the heating system do not show themselves until the cold weather arrives. By then, most gas engineers are busy, causing a delay of days to arrange a call out. **Gastech** are a local, family run business with 30 years + experience.

Based in Royal Wootton Bassett with a satellite office in Marlborough we always have an engineer available in your area.

With increasing gas prices it is essential that your gas boiler is running properly to ensure it is safe and efficient.

Our engineers are happy to service all gas and LPG boilers including warm air systems.

Age of boiler is not a problem and we would be there to service it, not to tell you that it needs replacing.

So, beat the rush. Call **Gastech** on **01793 848800** to book your heating service

A helping hand at home

As time moves on and some tasks become less easy, there's no reason why you shouldn't continue to live the life you know, in the home you've made. All you need is a visit from a trusted, friendly face; someone to listen and a helping hand when you'd appreciate it.

We don't have a price list of pre-packaged care programmes. You only pay for the services you use:

- * Cleaning, ironing and preparing meals
- * Washing, dressing or shaving
- * Shopping, collecting prescriptions or walking the dog
- * Medication assistance
- * Company and help whilst recovering from illness
- * Live-in, sleep-in or night care or holiday cover
- * Assistance with getting up and going to bed, whatever the time
- * Accompanying you to appointments or social activities.

No job is too small.

If we're not there with you around the clock, rest assured we are on-call every minute of every day. We also get to you very quickly and as a matter of urgency when you call.

Your life's your own. We help you to live it.
