With 30 years experience in the hospitality industry Mary Carbery chose to work at The Churchill over two years ago.

Originally from Buckinghamshire Mary now lives locally in Lydiard Millicent. Having owned a cafe in Trowbridge Mary now enjoys working with the team at The Churchill. "It's like a big family - we all meet up after work." says Mary. "I enjoy the variety of custom here from couples to families to business people dropping in for a meeting. We are ideally placed for everyone. Even my husband visits for a bite to eat!"

Mary's favourite dish on the menu is Macaroni Cheese. "It's just like home-made." comments Mary.

'A Quality Education for a Lifetime of Opportunities' **BROAD HINTON CHURCH OF ENGLAND PRIMARY**

We are a village school situated in a favourable rural area a few miles south-west of Swindon. We were founded in 1743 by Thomas Bennet and taken over by the LEA about 100 years later. Over recent years we have extended our facilities to accommodate four mixed-age classes, a large hall where hot meals are served, a multi-purpose unit housing a pre-school facility and a conservatory area for individual or small group teaching, including a multi-sensory learning library for parents and carers to access resources for learning at home.

OFSTED February 2012 'A good school where pupils achieve well' "promotes pupils" spiritual, moral, social and cultural development outstandingly well" "pupils" behaviour is exemplary" "excellent, well-planned support for disabled pupils and those who have special educational needs" "examples of outstanding teaching in all classes" "outstanding cross curricular provision" Parents say: "amazing grounding, both educationally and emotionally"

Everyone knows each other throughout the school, from the oldest to the very youngest, staff, parents and children alike, giving us a warm family atmosphere. Our professional and enthusiastic staff provide a safe and secure environment and a creative and stimulating curriculum.

You are warmly invited to make an appointment to visit our school and we look forward to welcoming you into our school and please find out more about us from our website.

Applications from outside our designated catchment area are welcome.

Nick Sewell
Head of Private Client at Bevirs Solicitors says that Moving home is a good time to think about making a Lasting Power of Attorney.

Nick said, "If you are seeing your solicitor about your house move it is a useful time to think about making a Lasting Power of Attorney".

These documents (often known as LPAs) are very useful for people planning ahead for a time when they may not have the mental ability to look after their own affairs. They are not just for the elderly.

Here are some questions & answers which Nick has put together.

Q. How old do you need to be to have a Power of Attorney?

A. *You need to be over 18 but then can make one at any age. Accidents and ill health can affect all of us at different times in our lives. Having an LPA in place can give you and your family peace of mind and enable you to get the help you need quickly during a difficult time if you did become physically or mentally incapable.*

Q. What sort of LPA do you need?

A. *There are two types of LPAs: A Property and Affairs LPA- your attorney can deal with your property and finances. This can be used both when you still have mental capacity to look after your own affairs and when you do not; and A Welfare LPA- your attorney can make welfare and health care decisions on your behalf, but only when you lack mental capacity to do so yourself. This could also extend, if you wish, to giving or refusing consent to the continuation of life sustaining treatment.*

Q. Who should you appoint as Attorney?

A. *Any attorney must be trustworthy and have relevant skills to make what could be very important decisions.*

Q. Can you have more than one Attorney?

A. *Yes. If you appoint more than one attorney, you can appoint them to either always act together or so that either attorney can act alone. You can even appoint them to act together for some decisions and alone for others. You can also appoint replacement attorneys in case your attorneys cannot act for any reason.*

Q. When can the Attorney act?

A. *The attorney will only be able to act after the LPA has been registered with the Office of the Public Guardian.*

Q. How long does an LPA last for?

A. *It will last until you revoke it (if you have the mental capacity to do so) or failing that until your death (or earlier if ordered by the Court of Protection).*

Q. What happens if you have not made an EPA and become mentally incapable of looking after your affairs?

A. *It may be necessary to get a Court of Protection Order appointing another person to make decisions on your behalf. This is both costly and time consuming.*

Q. Are there any other forms of Power of Attorney?

A. *Yes. There are shorter Powers of Attorney which usually last a year or if earlier when the person who made them becomes mentally incapable of looking after their own affairs. These are usually used to cover short periods for example when someone will be away on holiday when documents are likely to need to be signed and are not suitable for longer term planning.*

Bevirs solicitors have offices at Swindon Royal Wootton Bassett and Calne.

GASTECH

Telephone **01793 848800**

6 Templars Way Ind. Est. Marlborough Road, Royal Wootton Bassett

BEAT THE RUSH at **Gastech** and we know that, traditionally, heating breakdowns increase in the colder months.

Many of the breakdowns we attend to at the start of the heating season could have been prevented by maintenance. Unfortunately, faults on the heating system do not show themselves until the cold weather arrives. By then, most gas engineers are busy, causing a delay of days to arrange a call out. **Gastech** are a local, family run business with 30 years + experience.

Based in Royal Wootton Bassett with a satellite office in Marlborough we always have an engineer available in your area.

With increasing gas prices it is essential that your gas boiler is running properly to ensure it is safe and efficient.

Our engineers are happy to service all gas and LPG boilers including warm air systems.

Age of boiler is not a problem and we would be there to service it, not to tell you that it needs replacing.

So, beat the rush. Call **Gastech** on **01793 848800** to book your heating service

A helping hand at home

As time moves on and some tasks become less easy, there's no reason why you shouldn't continue to live the life you know, in the home you've made. All you need is a visit from a trusted, friendly face; someone to listen and a helping hand when you'd appreciate it.

We don't have a price list of pre-packaged care programmes. You only pay for the services you use:

- * Cleaning, ironing and preparing meals
- * Washing, dressing or shaving
- * Shopping, collecting prescriptions or walking the dog
- * Medication assistance
- * Company and help whilst recovering from illness
- * Live-in, sleep-in or night care or holiday cover
- * Assistance with getting up and going to bed, whatever the time
- * Accompanying you to appointments or social activities.

No job is too small.

If we're not there with you around the clock, rest assured we are on-call every minute of every day. We also get to you very quickly and as a matter of urgency when you call.

Your life's your own. We help you to live it.
