Sean's Activity Store is an Aladdin's cave for outdoor enthusiasts.

Sean Keeling has a passion for shooting & outdoor activities. He runs a small personal, family run business on the outskirts of Royal Wootton Bassett and stocks everything from clothing to cartridges, guns, boots, fishing bait. "I sell a wide range of outdoor supplies with everything needed whatever their interest. What I don't have in stock I can source." says Sean.

Originally Sean grew up in Devon and worked around boats and has always been an outdoor person. "Shooting became my passion at a young age and I moved to Hertfordshire where I was involved in local shoots before moving here to Royal Wootton Bassett."

"I like to offer a friendly service and am happy to offer advice. If customers simply want to pop in for a chat and a cup of tea and a catchup I'm always pleased to open my door." says Sean.

Sean's Activity Store is having a rotation of stock and Christmas sale on most existing stock with great discounts. So if you are planning to buy for Christmas presents for an outdoor enthusiast now is the time to pay Sean a visit.

GASTECH

The Independent Gas Specialists

Telephone **01793 848800**

6 Templars Way Ind. Est. Marlborough Road, Royal Wootton Bassett

BEAT THE RUSH at **Gastech** and we know that, traditionally, heating breakdowns increase in the colder months.

Many of the breakdowns we attend to at the start of the heating season could have been prevented by maintenance. Unfortunately, faults on the heating system do not show themselves until the cold weather arrives. By then, most gas engineers are busy, causing a delay of days to arrange a call out. **Gastech** are a local, family run business with 30 years + experience.

Based in Royal Wootton Bassett with a satellite office in Marlborough we always have an engineer available in your area.

With increasing gas prices it is essential that your gas boiler is running properly to ensure it is safe and efficient.

Our engineers are happy to service all gas and LPG boilers including warm air systems.

Age of boiler is not a problem and we would be there to service it, not to tell you that it needs replacing.

So, *beat the rush*. Call **Gastech** on **01793 848800** to book your heating service

A helping hand at home

As time moves on and some tasks become less easy, there's no reason why you shouldn't continue to live the life you know, in the home you've made. All you need is a visit from a trusted, friendly face; someone to listen and a helping hand when you'd appreciate it.

We don't have a price list of pre-packaged care programmes. You only pay for the services you use:

- * Cleaning, ironing and preparing meals
- * Washing, dressing or shaving
- * Shopping, collecting prescriptions or walking the dog
- * Medication assistance
- * Company and help whilst recovering from illness
- * Live-in, sleep-in or night care or holiday cover
- * Assistance with getting up and going to bed, whatever the time
- * Accompanying you to appointments or social activities.

No job is too small.

If we're not there with you around the clock, rest assured we are on-call every minute of every day. We also get to you very quickly and as a matter of urgency when you call.

Your life's your own. We help you to live it.

For confidential and free advice call Charlene on **01488 687020** at our Kintbury offices.
