New business opening 1st September 2016

Greg Pilsworth and Dudley Simpkins have set up in business together and are launching G & D Vehicle Services. Both have worked in the motor industry for a combined 60 years - 50 of those years with Land Rover. They are both former employees of TH White Land Rover which was situated here in the town.

Greg started his career as an apprentice in 1987 progressing from Master Tech through to service management. Dudley joined in 1997 starting as a technician, finally controlling the busy workshop. Both are factory trained and experienced in all Land Rover models new and old.

Greg and Dudley live locally and have built up strong connections through the Land Rover Brand.

"We offer a friendly, reliable and trustworthy service and look forward to welcoming old and new faces to G & D Vehicle Services." says Dudley.

The business is situated on the fringes of Royal Wootton Bassett in Minety. By offering a free collection and delivery service they can easily offer the business service to locals here in the town and nearby villages.

**Your new flooring may be closer than you think...
 Don't get fooled get floored**

Flawless Floors have opened a new flooring showroom on your doorstep. Flawless Floors have traded locally for many years and have continued to offer a unique service when it comes to flooring, tailored around each individual ensuring that the customer understands exactly what they are getting.

Owner Ashley Waldron & his family would like to welcome all customers - existing, new and future to attend their grand opening on Saturday 10th September, at the new showroom on Pavenhill in Purton. Make sure you don't miss out on your glass of bubbly and pick up one off vouchers.

Ashley states that he 'believes anybody looking at making the investment of new flooring should not take it lightly. It will take many years of abuse and you want your flooring to live up to it, hence why I will always take the time to ensure the potential customer understands the options they have and guarantee they are left with exactly what they hoped, from the installation to trimming of doors, moving the furniture and even removing all the waste including your existing flooring.'

We are personal, professional and ultimately you are our priority.

GASTECH

The Independent Gas Specialists

Telephone **01793 848800**

6 Templars Way Ind. Est. Marlborough Road, Royal Wootton Bassett

BEAT THE RUSH at **Gastech** and we know that, traditionally, heating breakdowns increase in the colder months.

Many of the breakdowns we attend to at the start of the heating season could have been prevented by maintenance. Unfortunately, faults on the heating system do not show themselves until the cold weather arrives. By then, most gas engineers are busy, causing a delay of days to arrange a call out. **Gastech** are a local, family run business with 30 years + experience.

Based in Royal Wootton Bassett with a satellite office in Marlborough we always have an engineer available in your area.

With increasing gas prices it is essential that your gas boiler is running properly to ensure it is safe and efficient.

Our engineers are happy to service all gas and LPG boilers including warm air systems.

Age of boiler is not a problem and we would be there to service it, not to tell you that it needs replacing.

So, beat the rush. Call **Gastech** on **01793 848800** to book your heating service

Health & Wellbeing Champion Ellen Blacker

Royal Wootton Bassett & Cricklade Community Area
Supporting individuals to live independent, happy, healthy and fulfilling lives
by offering information on a variety of topics. Working to improve outcomes
for people by representing their needs at decision making levels.

Hello! As I write this it is a beautiful day and the sun is shining, but it won't be long until the days get shorter as the nights draw in. Sorry to bring the subject up, but winter is coming! How about trying something different this year to stave off the winter blues? Couple of ideas to think about:

Men's Sheds. This project is gaining momentum and in our area! Royal Wootton Bassett are well on the way to creating their "Shed". They hope to open next month – look out for posters or contact Alexa Smith on 01249 706610 Mobile 07768 357306 or John Loran on 01793 771735. For those of you in Cricklade and Purton, do come and see what is going on as the plans are well under way to start similar sheds in both locations – if there is interest! Again, call Alexa for details of the progress in Cricklade and Purton.

Using your computer? Thinking about buying a Tablet? Then the Digi Champion group could be for you! A very friendly group meet in the Cricklade leisure centre coffee shop every Monday between 10 and 12 and are happy to help and support anyone who is struggling to get to grips with the technology. Why not pop along to see if they can help you? Of course, if you are a whizz with technology, perhaps you could support others to learn? Greensquare Housing are supporting this and will also be present with some new gadgets etc. Drop in to find out more.

Time to spare? Could you help someone who has been in Hospital? The Royal Voluntary Service is looking for people who could spare an hour per week to visit someone who has recently come home from a stay in hospital. The duties may be to check all is well and perhaps fetch a little shopping, run the vacuum around, pop the washing out or just be there to show someone cares. The commitment last for 6 weeks to support that person get back into the normal routing of life at home. If you can help, call Emma Dowie on 07766 473267.

Meanwhile, as ever, I am around for general help and support so give me a call on 07557 922020 and leave a message. I will get back to you as soon as possible.
